

# UNBREAKABLE HANDLE PRODUCTS

## BUILT FOR A LIFETIME OF WORK

Never replace a handle again!

Wilton's exclusive unbreakable handle design offers key features and benefits that no one else can.

- Handles made with tempered spring steel rods, surrounded by abrasive resistant rubber
- Ergonomic handle design absorbs shock and vibration, reducing fatigue and injuries, and its slip resistant

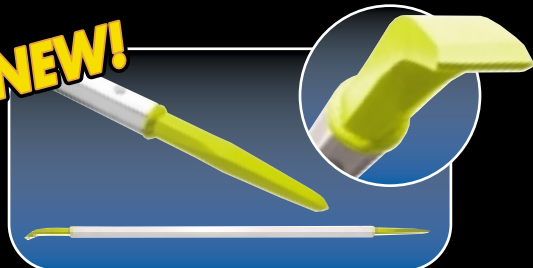

- High visibility yellow heads promote easy identification and job site safety
- Break a handle in normal use and we'll replace the complete product free

NEW, unbreakable handle, soft face hammers are available with aluminum, copper, nylon and rubber faces for that special application.

**LIFETIME GUARANTEE**  
ON MATERIALS

The Wilton Unbreakable Handle Products have a "Lifetime" Guarantee for normal use. The guarantee covers against defects in materials and workmanship. The hammers will be replaced should defects appear in normal use.

**NEW!**

Also announcing NEW Aluminum Shaft Pinch and Diamond Point Bars with forged steel tips. Available in 3 lengths.

# Unbreakable Handle Products

Wilton has greatly expanded its line of Unbreakable Handle Products to include these NEW items:  
 (2) steel sledge hammers, (2) cross pein hammers, (1) ball pein hammer, (1) copper face sledge hammer,  
 (1) clay pick and 3 soft face hammers with (5) different types of soft replacement faces for each.
